Thanks everyone for the Roll-n-Ride success. We took in \$375 and paid out \$150 to the winner. We made a little money after tithing and sanctioning. It seems that people are not learning about our events from taking flyers from shops. They may be takeing pictures of them, but the flyers aren't going anywhere. Social Media is likely helping with that too. So, with that, do we want to continue making so many flyers? Jason has been working on the Scavenger Hunt. The route is about done and just finalizing the clue/questions now. We will be competing with Run 21 for participants that weekend. EOS is coming on Aug 25th. We will be stopping thru the Wapato showdown again. November 17th is the Toy Run. We'll start working on that soon.
